St. Lawrence Hospital Reunion

Saturday 16 July 1994

In 1994 the Welsh Regional Plastic Surgery Unit at St. Lawrence Hospital will be relocated in a purpose built new unit at Morrision Hospital, Swansea. The summer meeting of the British Association is being held in Swansea that year between 13-15 July. This would seem an ideal opportunity to celebrate over 40 years of plastic surgery in Chepstow and all past and present members of the staff at the hospital are being invited to attend for the day. Various departments of the hospital will be open and plan to present small exhibitions. There will also be various recreational activities including a barn dance in the evening. Any past members of the staff at the hospital who would like to attend are asked to contact Mr P. J. Sykes, Consultant Plastic Surgeon, St. Lawrence Hospital, Chepstow, Gwent NP6 5YX.
