

## Notice

International Symposium on Plastic Surgery  
Bologna, Italy  
25–28 June 2008

**'A Moment of Reflection'**  
**20 Years After the Bologna Symposium of 1988**

*The major topics in Plastic Surgery will be covered in this meeting:*

History of Plastic Surgery  
Genetics  
Anatomy and Bio- Engineering in Plastic Surgery  
Psychological - Psychosocial Aspects on Plastic Surgery  
Cleft Lip and Palate - Cranio-Facial Anomalies  
Microsurgery  
Aesthetic Plastic Surgery  
Legal Medicine  
Volunteer Organization in Plastic Surgery  
Multidisciplinary Aspects in Plastic Surgery

For the “veteran” participant the meeting will be a good occasion to reflect upon how their practice has changed. The “new” participant, it will be an opportunity to benefit from the wisdom of their teachers. They will also present what they do and would like to change.
